RE: Site Inspection, Probe Mine, San Rafael Energy, Inc., S/015/011, Emery County, Utah

Date of Inspection: July 11, 1991

Time of Inspection: 3:00 p.m. - 3:15 p.m.

Conditions: Hot, sunny

Participants: Neil Simmons, BLM; Holland Shepherd, DOGM

This site was partially reclaimed about two years ago by San Rafael Energy as a means of reducing the size of the disturbance and reducing the size of the bond. Several waste dumps were reclaimed along with the operation's mine water pond.

No successful reclamation is evident at this time on either the waste dumps or the pond.
